

MA320 (Clontz) Outcome Reflection

Your name here

January 10, 2022

Please typeset answers for each question in the blank space provided.

1 Outcome code

For example, AB3.

2 Preparation

Write a sentence or two describing what you've done to prepare for a Quiz on this learning outcome. This should describe your engagement with class activities, homework, and any other supporting materials (e.g. readings, videos).

3 In-class work

Insert photographs of the work your group did in-class related to this learning outcome ***OR typeset full solutions to one practice quiz*** if you were unable to participate in class.

4 After-class preparation

Typeset full solutions for one practice quiz (different from the practice quiz in the previous section, if applicable).
